24
25 This project is being let using the single prime bidding and contracting process. DFD will publicly bid the
26 applicable mechanical, electrical, plumbing, and fire protection (MEP) divisions of work **first**. Within 5
27 days of the MEP bid opening, DFD will identify a lowest, qualified, responsible, certified bidder in each
28 applicable MEP division of work. These successful MEP bids must be included in all general prime
29 contractor bids received. No later than 5 days after DFD identifies the successful MEP bids, DFD will
30 publicly open general prime contractor bids. **General prime contractor bids that do not include the**
31 **successful MEP bids will be rejected.** The state will enter into a single contract with the lowest, qualified,
32 responsible, certified general prime contractor and this general prime contractor will enter into subcontracts
33 with the successful MEP bidders. If a project does not include any mechanical, electrical, plumbing, or fire
34 protection divisions of work, DFD will bid one bid package for all work to general prime contractors.
