23
24 This project is being let using the single prime bidding and contracting process. DFD will publicly bid the
25 applicable mechanical, electrical, plumbing, and fire protection (MEP) divisions of work **first**. Within 5
26 days of the MEP bid opening, DFD will identify a lowest, qualified, responsible, certified bidder in each
27 applicable MEP division of work. These successful MEP bids must be included in all general prime
28 contractor bids received. No later than 5 days after DFD identifies the successful MEP bids, DFD will
29 publicly open general prime contractor bids. **General prime contractor bids that do not include the**
30 **successful MEP bids will be rejected.** The state will enter into a single contract with the lowest, qualified,
31 responsible, certified general prime contractor and this general prime contractor will enter into subcontracts
32 with the successful MEP bidders. **If a project does not include any mechanical, electrical, plumbing, or**
33 **fire protection divisions of work, DFD will bid one bid package for all work to general prime**
34 **contractors.**

35
