37
38 In general the work consists of: removing the stadium bleachers, press box, 2 locker rooms and related foundations.
39 Materials will be recycled and disposed of according to DFD guidelines. Power and water will be properly
40 terminated. The site will be backfilled and graded to match the adjacent grade. The bleachers were constructed in
41 1955 and are no longer to code, and the metal structure, decking and seating have all substantially deteriorated over
42 time. In addition, a recent fire has caused substantial damage to a section of structural supports for the bleachers
43 rendering them unusable and substantially impairing this asset. From a risk management perspective, the bleachers
44 are a severe liability, and the entire area can no longer be used. The block constructed locker rooms below the
45 bleachers have heaved and shifted, rendering them unusable.

46
47 Construction bidding documents (drawings, specifications and addenda) may be obtained only as downloadable
48 electronic files (in PDF format) from the Division of Facilities Development website. Construction bidding
49 documents may also be available at various Builders' Exchanges. Additional project bidding information, including
50 plan holders lists are available on the Division of Facilities Development public website:

51 <https://doa.wi.gov/Pages/AboutDOA/FacilitiesDevelopment.aspx>. After opening the web page, select Current
52 Construction Project Bidding Opportunities at the bottom of the screen. Bidder shall identify the division of work
53 they are bidding on when requesting Bidding Documents online. No deposit is required to obtain documents for
54 bidding purposes.

The 2017-2019 Wisconsin State Budget (2017 Wisconsin Act 59) repealed Wisconsin’s prevailing wage laws. Effective September 23, 2017, state prevailing wage requirements on state building projects no longer apply. These changes take effect for projects advertised for bid after September 23, 2017. This change does not affect the Federal Davis Bacon Act requirements.

A non-mandatory pre-bid tour is scheduled for February 8, 2023 at 11:00AM. It is encouraged that contractors attend. Please contact Dusty Johnson, 218.522.0602, djohns75@uwsuper.edu for additional information.

Bidding Documents will be available online immediately upon the project being advertised for bid.
