22
23 This project is being let using the single prime bidding and contracting process. DFD will publicly bid the
24 applicable mechanical, electrical, plumbing, and fire protection (MEP) divisions of work **first**. Within 5
25 days of the MEP bid opening, DFD will identify a lowest, qualified, responsible, certified bidder in each
26 applicable MEP division of work. These successful MEP bids must be included in all general prime
27 contractor bids received. No later than 5 days after DFD identifies the successful MEP bids, DFD will
28 publicly open general prime contractor bids. **General prime contractor bids that do not include the**
29 **successful MEP bids will be rejected.** The state will enter into a single contract with the lowest, qualified,
30 responsible, certified general prime contractor and this general prime contractor will enter into subcontracts
31 with the successful MEP bidders. **If a project does not include any mechanical, electrical, plumbing, or**
32 **fire protection divisions of work, DFD will bid one bid package for all work to general prime**
33 **contractors.**

52 In general, the work consists of: replacing approximately 33,500 SF of roofing on the lower roof areas
53 of Gordon Hall. Existing ballasted EPDM roofing system will be torn off down to existing roof deck.
54 The new roofing system will be fully adhered EPDM over new tapered insulation with sumps at scuppers
55 and drains to provide adequate drainage. New metal scupper boxes and downspouts will be installed for

1 the entire lower roof area. Work will be coordinated around existing equipment curbs and other roof
2 penetrations. All metal counter flashings and metal roof edges will be replaced. The project also includes
3 replacing the flashings around all plumbing vents on the upper roof areas as requested by DHS as well
4 as closing two penetrations on the upper roof areas where abandoned incinerator stacks will be removed
5 by owner.
6

7 Bidding documents (drawings, specifications, and addenda) may be obtained only as electronic files (in
8 PDF format); as a downloadable file from the Division's Projects Bidding website (see website address
9 below) and/or on compact discs or DVD by ordering from the Construction Project Bidding Opportunities
10 webpage. Bidding documents may also be seen at various Builders' Exchanges. Additional project bidding
11 information, including plan holders lists are available on the Division of Facilities Development public
