27
28 This project is being let using the single prime bidding and contracting process. DFD will publicly bid the
29 applicable mechanical, electrical, plumbing, and fire protection (MEP) divisions of work **first**. Within 5
30 days of the MEP bid opening, DFD will identify a lowest, qualified, responsible, certified bidder in each
31 applicable MEP division of work. These successful MEP bids must be included in all general prime
32 contractor bids received. No later than 5 days after DFD identifies the successful MEP bids, DFD will
33 publicly open general prime contractor bids. **General prime contractor bids that do not include the**
34 **successful MEP bids will be rejected.** The state will enter into a single contract with the lowest, qualified,
35 responsible, certified general prime contractor and this general prime contractor will enter into subcontracts
36 with the successful MEP bidders.

37

In general, the work consists of replacing sections of the existing campus steam distribution system, including sections of the campus steam loop and laterals to select buildings. It is anticipated that there will be the replacement of seventeen hundred feet of steam and condensate piping with new, direct buried conduits. One existing steam vault has been identified in this scope of work to be reconstructed. The new steam vault will include electrical power for lighting and sump pumps. The project will restore the work area, including necessary asphalt and concrete that was disturbed.

Bidding documents (drawings, specifications, and addenda) may be obtained only as electronic files (in PDF format): as a downloadable file from the Division’s Projects Bidding website (see website address below) and/or on compact discs or DVD by ordering from the Construction Project Bidding Opportunities webpage. Bidding documents may also be seen at various Builders' Exchanges. Additional project bidding information, including plan holders lists are available on the Division of Facilities Development public website: <https://doa.wi.gov/Pages/AboutDOA/FacilitiesDevelopment.aspx>. After opening the web page, select Current Construction Project Bidding Opportunities at the bottom of the screen. Bidder shall identify the division of work they are bidding on when requesting Bidding Documents online. No deposit is required to obtain documents for bidding purposes.

Base Bids will be received as a single lump sum bid for: 4) Mechanical (Heating, Ventilating, Air Conditioning); and 5) Electrical.

Bid Guarantee in the amount of 10% of the Bid must accompany each bid submitted.

NOTICE: The 2017-2019 Wisconsin State Budget (2017 Wisconsin Act 59) repealed Wisconsin’s prevailing wage laws. Effective September 23, 2017, state prevailing wage requirements on state building projects no longer apply. These changes take effect for projects advertised for bid after September 23, 2017. This change does not affect the Federal Davis Bacon Act requirements.

A non-mandatory pre-bid tour is scheduled for February 8, 2023 at 10:00 am at Shemanski Hall Parking Lot. It is encouraged that contractors attend. Please contact Jon Marking at 262-878-2411 for additional information.

Bidding Documents will be available online immediately upon the project being advertised for bid.
